

# Queensland Health STS AddressBook Update Form

This document is used for General Practitioners and providers to update their information within the Queensland Health - STS (Secure Transfer Services) AddressBook for secure messaging and registration to the Health Provider Portal.

Please complete ALL relevant sections of the registration form. For assistance with completing this form, see page 6. There is also additional information for Health Provider Portal and delivery for messaging on page 7.

**Before completing this form, please download and open the form with Adobe Reader. If you populate the form within your web browser, you will not be able to save the data entered.**

**Once completed, save the form locally with the completed information. This will allow you to open and modify for future updates, modifying the data where required, saving and resubmitting.**

Completed forms can be emailed to [STS\\_External-Alerts@health.qld.gov.au](mailto:STS_External-Alerts@health.qld.gov.au)

For secure messaging, Queensland Health can transfer information electronically with messaging vendors Health Link and Medical Objects. The delivery method is up to the individual practice or provider.

To be able to receive electronically from Queensland Health, please ensure you have an active account with either messaging vendor.

Please regularly update Queensland Health and your messaging vendors with any changes to your practice, including adding and removing providers, to ensure ongoing smooth delivery of messaging to your practice.

If you have any further questions, please email [STS\\_External-Alerts@health.qld.gov.au](mailto:STS_External-Alerts@health.qld.gov.au)

## Guide For Completing This Form

The following is a Reference Guide to assist with completing this application form.

### The form can be saved on your computer and updated when required.

To save select the "Save" button. If you need to update any information, all you need to do is make and save any changes and then hit the "SUBMIT by Email" or save and email through to [STS\\_External-Alerts@health.qld.gov.au](mailto:STS_External-Alerts@health.qld.gov.au)

**STS AddressBook Update Type** - Select the type of update from the drop down menu tab.

**"New"** - Select to add a General Practice to the STS AddressBook.

**"Update"** - Update General Practice details and Practitioner details.

**"Remove"** - Select to remove a General Practice from the STS AddressBook. (General Practice is closing down).

### Section 1 - Organisation Details

This section is used to confirm General Practice information and contact details.

### Section 2 - Delivery

This section is used to confirm the delivery method for clinical correspondence.

**CDA** - Did you know that electronic Discharge Summaries (DS) are now available in Clinical Document Architecture (CDA) format? Additional Information can be found on page 7.

**Preferred Delivery Method** - From the dropdown menu select a preferred method to be able to receive clinical correspondence - **"Electronic"**, **"Post"** or **"Fax"**.

**Electronic Messaging Provider** - When selecting delivery method **"Electronic"**, select your messaging provider from the dropdown menu.

**If you have 2 Message Providers, In the event we cannot contact you using your preferred Messaging Provider, can we use another** - If another messaging provider is selected from the dropdown menu please provide account details as above - This can be added in the **"Please indicate Health Link - EDI Account or Other"** field.

**Clinical Software** - Select your clinical software from the dropdown menu. If selecting other please enter details under **"Other Software"**.

### Section3 - Health Practitioner Details:

This section is used for listing ALL current Practitioners working within a General Practice. Please ensure names are entered the same as they are registered with AHPRA - <https://www.ahpra.gov.au/registration/registers-of-practitioners.aspx>

**Health Provider Identifier - Individual (HPI-I)** is required as part of the authorisation process for accessing the provider portal. For information on the Health Provider Portal, see page 7.

## Clinical Document Architecture Overview

Existing message exchange formats HL7 impose restrictions on clinical documents and the information that can be presented.

Discharge summaries can be presented in an easier to read and more structured format which includes Pathology and Radiology results, this format is called Clinical Document Architecture (CDA).

Queensland Health is successfully sending discharge summaries in CDA format to practices using the following practice management systems:

- Best Practice LAVA edition or higher (includes Indigo)
- Genie V8.8.6 or higher
- Medical Director v 3.16b or higher
- ZedMed all versions
- MMex V22.1.3.1

If you are not using the minimum version(s) mentioned above, please contact your practice management vendor to discuss updating your version.

### What is required

If your practice management software and version is listed above and you are interested in receiving discharge summaries in CDA format, please email [EDSTV-Corro@health.qld.gov.au](mailto:EDSTV-Corro@health.qld.gov.au) to have your practice set up.

Note: You will need to allocate some time to assist with testing, verifying content and data validation.

### Other Practice Management Software

If your practice management software is not listed above, and your practice is interested in receiving discharge summaries in CDA format, please email [EDSTV-Corro@health.qld.gov.au](mailto:EDSTV-Corro@health.qld.gov.au) to discuss options.

## Health Provider Portal

The Health Provider Portal connects eligible health practitioners to public healthcare information, with secure read-only access to Queensland Health's web-based clinical application The Viewer.

Once registered, eligible health practitioners may access comprehensive, current, and accurate Queensland Health patient information to enhance clinical decision making and improve health outcomes for their patients.

### To register:

For general practitioners and specialists, you or your practice manager will need to ensure that your Medicare Provider Number and Healthcare Provider Identifier - Individual (HPI-I) are up-to-date and registered with Queensland Health's Secure Transfer Service (STS) AddressBook.
